RE: *CERTIFICATE OF RECOGNITION LETTER OF INTERIM*

Dear Terlyn Natrass

This is to confirm that United Oilfield Inc. has initiated the process of obtaining an Alberta Human Resources & Employment 'Certificate of Recognition' by:

1. Continuing to develop a minimum safety program
2. Scheduling an independent safety audit for 29-May-06

With reference to the safety audit submitted in the Certificate of Recognition program please be advised that your audit has been reviewed and approved. All audits submitted are reviewed by experienced audit reviewers who are Enform Certified Auditors and members of the Audit Review Sub-Committee. The reviewer ensures that standards and policies of the applicable government agency are met and provides comments and recommendations for improvement.

This letter is valid up to one year from the date of issue, successive letters cannot be issued. If you receive any concerns regarding your COR status, please direct them to my attention.

Sincerely,

ENFORM
